### CONGRESSIONAL PROCEEDINGS.

Senate
Washington D c 16
Mr Divis introduced a resolution to establish
a tribund to whom Constitutional questions
arising between the United States and Sinte Oor
criments may be released. Tabled
Mr Yan/mikle introduced a bill to provide for
the apportionment of national bank capital
amon, the different States and Iteritor as and
the District of Columbia.

Wr Edmands introduced a bill to provide for
the modes of tax vition of National Banks.

de of tax ition of National Banks

Without action the Senate held a short Excentive session an ladjourned.

Built were introduced by Mr. Williams, of Indiana, to juy the bedance of bounty to non-commissioned effects bonorably mustered out, by Mr. Eart, to regard and little and limit for Admirative jurisdiction of United States Lourts, its Mr. Jatan, to his line for the decision of Representatives and Delegacy to Congress by Ar. Briggs, a joint in clinical of the Michigan Leafs that it relative to technons and sextles, by Mr. Biddwin in abolish the bounded whether leads to technology of these, to prevent a depreciation of the currency by prohibiting the circuit dion as money at maintain and authorized by law, by Mr. Hope of Mes, to prevent a depreciation of specific promothes—the bill provides after the 1st of July 1868 treaty jurice, and it diduce of imported acted and by law, by Mr. Hope the joint of 1871, telly perfect at the fact of 1814, 1873, telly perfect at the fact of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and after the last of 1814, 1874, telly perfect and the fact of 1814, 1874, telly perfect and telly perfect an

United Strike notice, after the let of July, 1862, forty per cent, after the let of luty, 1872, they show per cent, after the list of July, 1872, the whole By Mr Brouks, in Children to legal tender notes—the bill provides that the kin more committees of the Sente and Committees of the Sente and Committees of the Sente and Committee of the Sente and Committee with the firm of the typedicuty direct of making ignite that the kin more committees of the Sente and Committees with an print payment of custom duties say (b) er cent, after the let of January, 1893, the light ender notes received as a print payment of custom duties say (b) er cent, after the let of January, 1893, the light ender act on all contracts made after the left of March, 1885 or it not try it in grid and long contracts to be saide pythel in gold and silver. All appropriately referred.

Mr Benjamikothered recollution or thing that the President in his animal in usage, but seem the Mild resident of the contraction of mentions of the ferrous treatment of the contract of the tree on the contract of the late of which wor allow the reconstruction laws, but the let of which wor allow to rink the, government of the repeal of the construction laws, but the let of which wor allow the reconstruction laws, in the continuity and proper that the Bones should spond in emphatic terms to see extraordinary approposition, and recording the the long with a committee in the recommendation to the late of the late of

of hy setrately party vote.

Are Buther moved to suspend the rules to enable bin to offer a cosolation declaring that he the judy ment of the House all Indote dues of the north mought to be public whether the public with the author to the rules erewing Reductions with the author to nonrives erewing Reductions with the author to markes erewing Reduction of the rules, that is to pay all frame in the fall to be parable ought to be public box at money of the United States. The rules and being unspended the resolution was not received.

The Spasker presented a message from the President transmitting copies of propersylviating to the trial of Albert Rusk, of Indian, in New Drivers and stating that no nee in mit to the cive bady a been taken is the President. Message was referred to the labeling Committee.

The endorsement on the papers by the Sectedary of War of Indian all mands the resident and and that this was the flest trial to man be hy no military countistion under the reconstruction acts, and sometice should be created into our title Committee of the World of the reconstruction also, and sometice should be created into our title Committee of the World of the reconstruction tile, which appear the Bedeiner of propersylment in the Committee of the World of the Deficiency bull was given introduced, and the Deficiency bull was given introduced, and

present without the provision of the rules on a motion made by Mr. Schenek, to discourse the consider atton of Mr. I such a bit to pretent the consider atton of Mr. I such a bit to pretent the undue expansion and contraction of the currence. Mr. Schenek a of a consistent of the currence. cans Committee
Mr. Bulbard, W. Va, isked leave to offer a re-duction that the Committee on Retreachment

Mr. Buttora, w. r., admitter on Retrenchment consider the expediency of reducing the my of Members of Concress to \$4,000 and ten tents mileage, but Mr Highs objected. Adjourned WASHING FOR.

News Hems The letter published in the Charleson to order, stributed to the real Dent, concerning General Grant's political position, is a forgery There is little doubt but the Senate will re-

liord, Chitcf Enginer, J i A Zeight, Lient, liarrington, Ensign Lyons, Midahinasan, B. S. Ribards, J. K. Humphill, A B Chrier, I. V. Housell, Second Assistant Fugineers, J S Yea Havenburg and C J Hobeighurs, Third Assistants, H W Force The Buson in the St Homas at noon December 5, making the passage in six and a half days Although considerably damaged by the carthquake, she lacks ogtvery little. The carthquakes were of frequen coccurrence from a November 18th up to the time the Desota sailed, but they were not of great violence. The most half and the smaller ones which followed, only sorted to knock down the remainior tew that resisted the first shock. The Desota's bottom was temporally repaired by the divers from the wracking companies schoout Cosmpetition, from New York. The officers and craw of the Desota are all well. He Delicency bill which called for sixteen millions of dollars, has been reduced materially, and the committee thick they can reduce Secretary McCamoch's call for three hundred and society two millions of dollars, to meet the existence of the committee thick they can reduce Secretary McCamoch's call for three hundred and society two millions of dollars, to meet the existence of the first of the committee of the kinds of the President It is expected the Benale Secretary Stanton will be taken up to morrow by the Senate Committee on Ministry Affaire. His restor then to the office of Scretary of the first removal of judicial officers. The case of Scretary Stanton will be taken up to morrow by the Senate Committee on Ministry Affaire. His restor then to the office of Scretary of the stanting in many paces that he acted in accordance with the President had been falthfully performing his duty in the cestablishment of provisional govern ments in the South, together with admitting in many paces that he acted in accordance with the President had been falthfully performing his duty in the cestablishment of provisional govern ments in the South, together with admitting in many paces that he acted in accor

pression that he opposed blim at every step, lift friends in the Radical party have lost all interes in his case, and they feel indifferent whether he is consigned to oblivion or not

General News.

New York Dec 16
The Herd's Paris special of 18te vening says. It his been definitely ascertained that the Europen Yorkington, on the Roman Question, has failed. It has been definitely ascertained that the Europen Yorkington, on the Roman Question, has failed. It has been been to the Augustion, but for the day arrived. Fails was then spoken of the form of representation was changed but the sume day was adhered to subsequently. After the delivery of a specific by dimeter Romber, on the subject of the relations between Rombe and Italy, in which he dechared that Italy could never go to Rombe by force. The histonices of the power assumed the form of opin of Jection on the ground of inultity. It has been ascertained to due that the conference or congress will not assemble as all the great powers have positively refused to attend.

A fire occurred vesterday morning at No 4 South Oxford street, Brooking, occupied by Isate D McClinskey. Loss thirty thousand dollars. Hassined twelve thousand dollars. Threadjoining dwillings were considerably damaged.

Mrs. Herma Rome, and her four thindeen, the

Domingo on account of the aid and cointenance, that Government lend to the portizing of Bacz who recently invaled Domination letters of the Monte Christian General Citriabas' forces were already on the march, and it was suited that the Hividan forces had left the capitol to make the Dominicans and the repeated the capitol to make the Dominicans and the repeated the capitol dispatch says that universal discontent reigned at Cape Haylien, and report even eye that a revolution has commenced his in illumination throughout the law subject.

le abin Covernor Homphres, of Miss, has received such information relative to the projected out treats among the negroes in Jenury that he has de med it needs to be no programation a rating all combinations for such a purpose that their intentions are known and they cannot succeed, and if the block rate believes the lands will be distributed among them they are greatly declayed.

"THE only stitch that will wash without break PAYNE'S PATENT BARREL FILLER .- We take

especial pleasure in bringing this invention be fore the public, and ask every man who is en-gaged in filling barrols with crude or refined oil to make a personal examination of the simple but perfect machine. We give below the letters of well known and responsible parties who have made a practical test of their operation, Mesers. Crane, Thucker & Co and Z. Ferris, Esq., both of Petroleum Coutre.

of Petroleum Centre.

Office of the American Oil Works,
Petroleum Centre, Sept. 16, 1567. 
Mr. W. S. Parne, Six —
Having used your self-closing barrel filler for several months past, to the extent of about one hundred barrels per day, we have no bestiancy in saying that it has proved entirely satisfactory; being a great saving of Labor and an entire guard against waste or valuable liquids. Two Hundred Dollars would not beyour machine if we could not get another.

CRANE, THACKER & CO

Offices of the Anushucis Oil Works, }
Petroleum Centre, Fa, Supt. 18, 1877. 

Mr. W. S. Parne, Sin:—
I have had one of your improved solf closing berrel fillers, at my Refinery for some time past, and it performs all you chin for it and I believe it to be a very comonical and expeditions invention, for filling Liquids of all kinds.
